The Secretary to Government
General and Revenue Depto

Dated 16th February 1898

Has the honor to forward herewith
(with original correspondence) for the
orders of Government, copy of letter
no 228 dated 26th ultimo from the Inspector
of Agricultural Banks.

2 It is stated that the members of
the Chikmagalur Agricultural Bank
held a general meeting and passed
a resolution to the effect that, as the coffee
produce will not be sold before April,
and as they have to incur heavy ex-
penditure from December for four
months for picking, pruning, &c, the
Government be requested to allow
them to pay interest on the loan sanc-
tioned for the Bank once a year at
the end of April, instead of on the 30th
June and 31st December as laid down
in G.O. no 6916-19 dated 1st February 1897.
R.S. 117-95

3 The Inspector of Agricultural Banks
is of opinion that the prayer of the
members is a reasonable one

4 It has been ascertained from the President of the Bank that the amount of interest (840-⁰⁰-3) accrued on the amount of loan up to end of June 1897 was paid into the Treasury and that only Pro 174-⁸-10 out of the amount of interest up to 31st December 1897, has been paid.

5 Speaking for himself, the U.S. should certainly have preferred to see the members of the Bank adhering faithfully to the obligations of a contract so recently entered into by them, more especially so, as the grounds on which indulgence is now asked are no new matters, but must have been known to the members at the time of entering into the contract.

b. On the other hand, there can be no doubt that the times and seasons have of late been peculiarly unfavorable for all connected with the coffee-industry, and the very fact of the applicants being members of an Agricultural Bank whose properties are hypothecated to Government in itself, shuts out the applicants from obtaining financial

assurance, as formerly from other
sources than Government

The undersigned therefore
does not dissent from the recom-
mendation of the Inspector of Agri-
cultural Banks and accordingly
submit the application for the indul-
gent consideration of Government

Sir

In the order passed by Government in their Proceedings No 691-6-19 of R. 2-117-95 of 1st February 1897 sanctioning the establishment of an Agricultural Bank at Chikmagalur it is stated that interest should be recovered half yearly on the 30th June and 31st of December on all sums advanced by Government.

2 The members of the Bank held a general meeting and passed a resolution to the effect that as the coffee produce of their gardens will not be sold before April and as they have to incur heavy expenditure from December for 4 months for picking and pruning &c, the Government be requested to allow them

to pay interest on the loan sanctioned for the Bank once every year at the end of April.

3 From my personal inquiries, their prayer appears to be a reasonable one. Should you concur with me, I beg you will be pleased to address the Government on the subject.
